AWARD MESSAGE

On behalf of the Executive Team, I would like to thank you for your contribution toward the Accelerate Program. I appreciate the effort and dedication you put into driving scale and impact of this key enabler of our enterprise priorities. Through your work, we're preparing to serve the patients of the future who are waiting for our next innovations – helping to bring medicines and vaccines to them faster, more efficiently and more effectively. Your engagement as One Team across the functions resulted in meaningful accomplishments for this year and supported our ambition to embed digital and data in the way we work. I look forward to the progress we will make in 2024, further embedding and scaling the Accelerate program.
