AWARD MESSAGE

Luke- Thank you for your recent efforts to resolve our RAPTOR RDP issue. You really went above and beyond in the past few weeks by coordinating with several MRL Boston employees to establish a resolution timeline with daily actionable items in order to expedite a resolution. I know without your help that we would have experienced even more delays. You were instrumental in us achieving remote connection to our automation system last week. You setup meetings, sent emails, and provided information needed to help test potential solutions. I speak for myself and the rest of my department in saying that we are very appreciative in your help preventing even more delays in the ramp up of our production in 2021. We look forward to our continued collaboration in the future! Ayla, Nick, & Heath
