## AWARD MESSAGE

During a year of change and transformation, you delivered impact by embracing a growth mindset for technology development. CLEO wouldn't be here without your enthusiasm to learn and apply your knowledge to develop a platform for cross-functional teams. It's improved our site's capital asset planning, a difficult area of logistics essential for Merck's discovery engine. And your self-taught mastery of MS Power Automate is inspiring and has influenced our CLEO team members to think more digitally. Thank you!
